

GENERAL PERMISSION POLICY

There are a number of times throughout the school year when students are taken off campus for the day. Some occasions may require transport by hire bus or public transport.

These activities include, but are not limited to:

- Class excursions
- In-term swimming programme
- Excursions and events at Piney Lakes in Winthrop
- Choir Performances
- Sporting events
- Liturgical events
- Sacramental Excursions
- Local Library visits
- Fundraising events
- Visits to the St Thomas More Church and facilities
- Visits to Corpus Christi College

Teachers will continue to inform you of details and arrangements for all off-site activities, except those to the St Thomas More Church facilities, which the students use regularly, and Corpus Christi College, which often occur when unforeseen opportunities arise. You will no longer be required to provide individual permission slips for these events, as they will be covered by the **General Permission Policy**.

If you believe there is any information about your child that needs updating please inform the Principal via email: admin@yidarra.wa.edu.au as soon as possible.

Any information given to the school's **Privacy Policy** will be treated in accordance with it.

Carmel Costin
Principal

According to the Education Act 1979
